

SUMMER CAMP INSURANCE FROM **MyCampProtector.com**

We recognize the value of your child's summer experience and realize that summer Camp is an investment you are making in your child's future. We want to help you protect that investment by making you aware of summer camp insurance. If your child needs to pull out of camp between February 1st and the end of his/her camp session Windsor Mountain is not able to refund you any lost tuition. When a camper cancels his/her plans to join us, especially in late spring and beyond, it is difficult if not impossible to fill the spot your child had reserved.

We understand that unpredictable events occur which cause families to cancel camp sessions (illness, injury, job loss etc.), which is why we want to tell you about summer camp insurance. Some insurance companies offer trip cancellation insurance but may not cover summer camps. We encourage you to check with your insurance company. You can also consider an organization that specializes in summer camp insurance.

MyCampProtector.com is one organization we found that offers summer camp insurance. It is a sponsor of MySummerCamps.com and offers families refunds if they cancel their summer camp enrollment up to 2 days before the start of the program. The insurance covers program cancellation and interruption for, among other reasons, camper illness or injury, the loss of a parent's job, or death of a family member.

MyCampProtector.com offers affordable rates. For a program costing between \$4,001 and \$5,000 you can choose from two coverage plans costing \$180 or \$252. For a complete list of rates visit **MyCampProtector.com**.

Windsor Mountain is not an affiliate of **MyCampProtector.com** and does not receive a commission if Windsor Mountain families purchase their insurance. We simply want to educate our families and make them aware of summer camp insurance so they can protect themselves and their investment. Knowing that we can not and will not refund any amount of camp tuitions after February 1st as stated in our program application contract, we have provided you with some basic information about **MyCampProtector.com** which we obtained from their website. We encourage you to explore all options and consider visiting the **MyCampProtector.com** website (<http://www.mycampprotector.com/>) for full details.
