## 2010 LETTER TO REFERRING TEACHERS

The student asking you to fill out this form has applied to our summer programs. Teacher reference letters are used to help us better understand our students, their group behavior, their social needs, what they can give and what they can gain from a group and its leaders. The information you provide is important to us in making group and living unit placements, and in alerting us to potential problems that could be averted by discussing them in advance with the applicant. Your comments to us will remain confidential.

The following form addresses the questions we are most interested in, but please feel free to comment on other issues as well.

Please mail your response to **Windsor Mountain International, One World Way, Windsor NH 03244.**

If you prefer to send your comments by FAX, our FAX number is 603-478-5260. Or, you may email a reference.

For a **summer camp reference** please email to **Deidre@WindsorMountain.org**. For a **travel program reference**, please email to **Angus@WindsorMountain.org**.

Please put TEACHER REFERENCE as the subject line, and start the email with your student's name and WMI program.
